

The MISSION

'53

PRESENTED BY THE MISSION STAFF

RIPON UNION HIGH SCHOOL

FOREWORD

*Education is a gate to lands of pleasure;
Education is a key to wisdom's treasure;
Education is a path that upward leads;
Education is a friend we'll always need.*

It's a rough road that leads to the heights of greatness, but the instruction and training we are receiving through our activities and sports, as well as our classes, are smoothing that road for us.

It is with this thought that we, the Mission staff of 1953, have chosen education as our theme. We present it in hope that it will recreate in future years, the happy days spent at Ripon High School.

RIPON UNION HIGH SCHOOL
RIPON, CALIFORNIA

You learn something new every day, whether it's merely learning to work and play together, to think, to develop skills, to gain self-expression, or to develop qualities of leadership and sportsmanship.

The varied activities offered to students at Ripon High School play an important role in teaching you these things, and in educating you to become good citizens. Congratulations, Mission Staff, Mr. Bourquin, Mission Advisor, and Co-editors, Yvonne Demichellis and Joan Vieira, on your well-chosen theme, education. The manner in which you have completed this project is outstanding.

STUDENT GOVERNMENT

DON TOOMBS

MR. E. POLETTI

Student Government is not a panacea for the ills of any educational system; nor is it a guarantee of excellence of administration. Yet, if the personnel involved is capable and serious in the desire to achieve that excellence, it is not only possible but probable that it will succeed.

Ernest G. Poletti

STUDENT GOVERNMENT SPONSOR

CABINET

L. to R.: Stanley Love, Chief Justice; Madeline Vieira, Defense Attorney; Lenna Phillips, Secretary of Notifications; Sharon Mulholand, Prosecuting Attorney; Louise Vander Laan, Secretary of Entertainment; Gaynl Stouffer, Secretary of Rallies; Elsie Franscella, Secretary of State, Records, and Publicity; Don Toombs, Student Body President; Paul Barkley, Chief of Police; Susan Vander Laan, Vice President; Standing, Mr. Poletti, Student Government Sponsor.

TO THE CABINET

As student body president of Ripon Union High School for 1952-53 I would like to extend to my cabinet my utmost appreciation. Because there have been no real complaints, and also because of the results of their efforts, it seems ostensible that they have fulfilled their respective offices with great conscientiousness. I can earnestly and sincerely say that it is really going to be difficult for next year's cabinet to attempt to fill the shoes of such competent officers. I would also like to express my appreciation to Mr. Poletti, for I feel that as an advisor he is surpassed by none.

So, at this point I would like to say to my advisor and to my cabinet, thanks a lot.

Don Toombs

Ripon Students Sweep Speech Tournament

Will Enter Nat'l Competition

RIPON, March 9—For the first time this school year the Ripon Union High School debating team, coached by Ernest Poletti, won sweepstakes honors in a district speech tourney.

The latest honor was won Saturday when Ripon speakers captured five trophies in addition to a 2 1/2 foot tall sweepstakes cup in the Northern California District National Forensic League Tournament held in San Francisco. Modesto and Merced High School debaters also won honors, third in the sweepstakes and second in the Merced w...

Ripon Hi Debaters Take Sweepstakes

Ripon's debate squad took top honors at the Oakland Invitational Debate Tournament Saturday, December 6. A total of eleven points was accumulated in all events by the sweepstakes team.

Debaters Take Sweepstakes In St. Mary's Tournament

Ripon's debate squad broke the law of averages by winning the sweepstakes award for the second consecutive time this year at St. Mary's College on January 17 in the largest debate tournament ever held in Northern California.

Madeline Vieira and Susan Vander Laan swept the one man debate by tying for first and second place. Of 13 teams competing in the tournament, Mr. Poletti's debaters had the highest of points, and again they defeated Modesto by one point for the coveted sweepstakes trophy. Ronnie Logan, Robert Carolee Rasmussen, Yvonne DeDon Toombs, Sharon Mulholand, Eckhoff, Louise Vander Laan, Stanley O'Berg, Stanley Love, Gaynl Stouffer, Margaret Hoff, and Connie Barela each contributed to the total, which was scored on the basis on one point for every debate won.

Each first and second place trophy will be added to the collection already on display in Mr. Poletti's room. Individual medals were also given to each first and second place winner.

David Eckhoff was one of the winners in men's extemporaneous speaking. Yvonne Demichelis reached the top in women's radio. Also entered in the tournament were Stanley Love, Sharon Mulholand, and Susan Vander Laan.

Yvonne Demichelis, Stanley Love, and Sharon Mulholand were chosen on the basis of the contest. The original script, enunciation, and expression of the ready script at the microphone, and the speaker's extemporaneous speaking were the basis of the judging.

Members of the team are Don Toombs, Yvonne Demichelis, Stanley Love, Sharon Mulholand, and Susan Vander Laan.

Coached by Ernest Poletti, the team has a record of 15 years of winning debate trophies.

The team's success is due to the excellent coaching of Mr. Poletti, who has been a member of the team for 15 years.

Ripon Debate Coach Wins Recognition

RIPON, March 11—While the Ripon Union High School debating team is being heaped on with trophies and recognition, the coach, Ernest Poletti, is also receiving recognition for his own achievements.

Four Ripon High School girls clinched the extemporaneous speaking sweepstakes at Modesto's State-wide Invitational Speech Tournament Saturday, when they chalked up eleven points in the event. Sharon Mulholand, Madeline Vieira, Susan Vander Laan, and Elsie Franscella were the four involved. Out of five entrants in the event, Ripon placed four in the finals. Miss Mulholand and Miss Vieira received individual medals and the school received a handsome plaque for highest over-all points in the event.

Jim O'Berg and Stanley Love reached the semi-finals of the men's division of the same events. Accompanying the team was their coach, Ernest Poletti.

FRESHMAN CLASS

The outset of the Freshman Class at Ripon High began in the usual manner of locating classrooms, forgetting locker combinations, and getting acquainted with the school, teachers, and students.

The Sophomore Class welcomed us with the annual Freshman-Sophomore Brawl, a get-acquainted party which was loads of fun. The sweets sale which we undertook received the co-operation of the entire class. The money earned from this was used for a skating party.

We, the Freshman Class, take this opportunity to thank our advisors, Mrs. Huffman and Mr. Ortey, for their assistance in making our first year in high school such a success.

SOPHOMORE CLASS

Our Sophomore year has been one of continual progress under the leadership of Dave Eckhoff, our president, and Miss Perry and Mr. De Selle, our advisors. (How could we have managed without the helpful suggestions of Bobby Richards in our class meetings?)

Our first activity of the year was the Freshman-Sophomore Brawl. Like most school parties everyone enjoyed games, wink-um, with the stentorian voice qualities of Frank Franzia directing them, and refreshments, plus our initiation of the Freshmen.

Since we had spent some money, more was needed. Under projects to better our financial standing, throughout the course of the year, we sponsored a cake sale, the dance after the Hughson basketball game, a Box Social and Dance (social and square), a booth at the Carnival, the first swimming party of the year, and other projects.

The class really united in spirit by supporting David Zellmer, our "B" football HE MAN, and Elane Bianchi, our class secretary (for the first semester), for our King and Queen representatives for the Junior class-sponsored King and Queen Dance. We were second only to the Seniors both with our float and in our votes in cents, not senses, in our support of our representatives.

All in all, we had a good year.

JUNIOR CLASS

Living up to the usual traditions, the Juniors spent a busy year raising money for their treasury. This project included selling candy, candied apples, and hot dogs at games, giving a cake raffle, and sponsoring the King and Queen dance. The annual Junior-Senior prom was held in the Fable Room of the Hotel Covell in Modesto on Friday night, May 22.

The Class of '54 had a wonderful year as Juniors with Paul Fredericksen and Elaine Demichelis as first and second semester presidents and Mrs. Schut and Mr. Bourquin, the advisors, who devoted so much time and effort in helping to make these activities a success.

SENIORS "OUR STORY"

*Oh, we are, we are the Class of '53,
The best, the very best that there will ever be.
So come on girls and boys; let's all shout and sing with glee,
For we're proud, we're proud to be the Class of '53.*

Classes come and classes go, but the Class of '53 is one that will always be remembered as a class which broke tradition. Initiation into Ripon High came with the Freshman-Sophomore Brawl at which we were threatened into wearing clothes inside-out and backwards. During our Sophomore year we gave a Halloween costume party for the incoming Freshmen.

Our year as Juniors occupied us with making money, a task for which other classes referred to us as "the money-mad Juniors." However, the results of the wonderful prom, which for the first time was held in Stockton at the Officers' Club, was well worth the time and money put into it. As Juniors, we sponsored the first King and Queen Dance, and sold food at the Ripon debate tournaments. We initiated the practice of having school dances at the Rifle Range instead of using the study hall.

The Class of '53 won the pep award for the parade preceding the Escalon game for two years in succession. As our gift to the school we pooled our funds with those of the Class of '52 to purchase a tape recorder.

The year to which we had all been looking forward for so long finally arrived, and as Seniors, we enjoyed both a Senior breakfast and the usual banquet in Stockton. We had fun every moment on Ditch Day at Yosemite Park. We will always cherish the experiences we have shared during our years at Ripon High, our fine faculty, and our Principal, Mr. Stouffer, who put up with the roaming Seniors he consistently found in the corridors. We especially express our gratitude to Mr. Kingery, our Scotch advisor, who economized for us with only our interests at heart, and Mrs. Gartman, the English teacher who caught us biting sunflower seeds so many times when we were supposed to be reading Macbeth.

The memoirs buried under the plaque of '53 shall live on in our hearts as we go on, determined to find a path or make one.

SPECIAL THANKS

We wish to express our special thanks to the business firms and friends who have placed ads in the 1953 edition of THE MISSION. It is through this advertising that such a sizeable project was made possible.

Our sincere appreciation goes to Mr. Bourquin, our advisor, who took the pictures for this book and spent hours of his own personal time in the darkroom developing them. His work of advising the staff and of bringing back in picture form the happenings of this year was a difficult task, and we thank him for his untiring efforts in our behalf.

We also extend our gratitude to Miss Perry, who helped with the art work, and to Mrs. Gartman, who proofread the copy.

Photographs, snaps, dummies, copy sheets, ads, deadlines, subscription campaigns, finances—it's a lot of work, but now it's done! We hope you like it.
